Mr. Langone, 12 Swan Place, appeared before the Board stating that he did not think it is fair that any parking agenda hearings regarding Swan Place are always placed at the end of the Agenda, and he feels Swan Place residents should get the same respect as everyone else in Town.

TRAFFIC RULES & ORDERS/OTHER BUSINESS

15. Vote: Water and Sewer Rate Adjustments FY 2014
Adam W. Chapdelaine, Town Manager
Michael Rademacher, Director of Public Works
Chris Woodcock, Woodcock & Associates, Inc.
Mr. Woodcock, the Town's water and sewer consultant, stated that over the last few years the MWRA has charged communities more for the water it provides and residents in Arlington use less water, therefore, the town's water and sewer reserves could be emptied in the next two years if the town doesn't take steps to change the situation. The MWRA has been increasing the rates it charges for water to towns and cities largely to pay off increasing debt from its work to improve water with the construction of Deere Island Water Treatment Plant. The Town is already subsidizing water and sewer fees, and has raised \$5.5 million of water and sewer expenses associated with MWRA debt through the tax rate rather than service charges each year. Mr. Woodcock also stated it is important to be able to pay for the continuing improvements to the water and sewer infrastructure because so much of it is very old.
Mr. Dunn moved approval to increase water and sewer bills 7.5 percent effective July 1st and as part of the plan presented by Mr. Woodcock the Selectmen voted to change the town's two-tier structure on January 1, 2014 to a three tier system that would benefit a vast majority of residents. The Selectmen also voted to go to quarterly bills as of July 1, 2014 which will replace bills that are sent out twice a year. Mr. Woodcock stated the change will increase the town's cash flow, provide smaller, more manageable bills for customers and hopefully alert taxpayers sooner to leaks or excessive water use.
The Selectmen also approved charging users year-round for the amount of water they use in the winter, when outdoor water use is minimal which would begin July 1, 2015. Mr. Woodcock feels this is a fair way to charge ratepayers and avoids the need for adding second meters.
The Board approved fixed charges for users with larger water meters and an additional charge for users whose private fire suppression systems connect to the town's water system.

Mr. Curro thanked Adam Chapdelaine, Michael Rademacher and Mr. Woodcock for all their work in presenting their recommendations.

Mr. Dunn, Mrs. Mahon and Mr. Byrne echoed Mr. Curro's statements.

16. For Approval: Policy on Banners
Juliana Rice, Town Counsel
Mrs. Rice informed the Board that any signs or banners posted on any Town-owned fixture or property must comply with Article 7 of the Zoning Bylaws (Signs) and all pertinent Town Bylaws, including but not limited to "Title V, Article 1 ("Billboards and Signs").
Any signs or banners erected in accordance with this policy shall contain only a description of the event or activity; the date, time, and place of the event or activity; the name of the sponsoring body or organization; and associated artwork.
The Board of Selectmen must approve the hanging of any such banners or signs and the

period of time for which they will be hung.

Mrs. Mahon asked who pays for the liability insurance in regard to the hanging of signs or banners.

Town Counsel Rice stated she would look into the liability insurance and send another draft regarding policy on banners for the July meeting.

17. Discussion: Overnight Parking Fees

Daniel J. Dunn, Chair

Mrs. Mahon reported that the Board's Parking Sub Committee recommended maintaining the current parking fee at \$200.00 for the first year and \$200 for renewal for the Annual Special Overnight Parking Permit for hardship cases.

Mrs. Mahon motion failed due to not receiving a second.

Mr. James Ballin, 30 Swan Place, reminded the Selectmen that Town Meeting recommended the Selectmen charge \$150.00 for the 1st year and \$25.00 for renewal. Mr. Ballin stated that it is against the law, in his opinion, to charge more for the cost of providing a service such as an overnight parking fee.

After much discussion, Mr. Curro made a motion to charge \$160.00 for the 1st year of an overnight parking permit and \$75.00 for each subsequent year. SO VOTED (3-1)

Mrs. Mahon voted in the negative.
